Accommodation

We offer accommodation for domestic and foreign students in a hangar that is located in the Ilopango International Airport, 8 minutes' walking distance from the School. We offer single and double rooms. It includes daily cleaning from Monday to Friday, study area, dining area and internet. It costs \$ 350.00 per month. You have to ask if we have availability.

Requirements

- 2 copies of your high school diploma. You have to bring your original High School diploma. The high school diploma copies have to be certified by a lawyer in your country. When they are certified by the lawyer you have to go to the Minister of Foreign Affairs in Belize so they can apostille both copies.
- 1 copy of your life insurance obtained in your country of origin, which has a minimum value of \$ 6,000.00 US dollars
- 2 copies of your Passport. The passport copies have to be certified by a lawyer in your country. When they are certified by the lawyer you have to go to the Minister of Foreign Affairs in Belize so they can apostille both copies.
- 1 passport size photograph
- The uniform is blue navy pants, PANAL pilot shirt and black shoes.

To get your medical certificate we must visit here in El Salvador the following doctors: cardiologist, otolaryngologist and an ophthalmologist). Each medical consult has an estimated value of \$ 35.00, the formalities at the Civil Aviation Authority are worth \$ 90.00 and the transportation provided by the instructor has a value of \$ 50.00.

A total of \$ 250.00 for these procedures is estimated.

If you come by plane, landing at the International Airport of El Salvador, the value of transportation to pick you up and bring you to the School has a value of \$ 50.00. This transportation service is provided by an instructor of Panal Aviation School.

We only accept bank wire transfer. We do not accept credit or debit card. All prices are in US dollars.

Our classes are in Spanish, if you want English lessons, you have to add \$200.00 dollars for each ground school course of the license or rating. The exam in the aviation authority is in Spanish.
